# HYALO<sup>4</sup><sup>®</sup> CARE

HYDROGEL / CLEAR HYDROGEL

At the core... of skin care

The **ONLY** prescription grade Hyaluronic Acid (HA) based hydrogel that provides a soothing and moist environment.

Available both as a white and a clear Hydrogel

## What Are Typical Uses of HYALO<sup>4</sup><sup>®</sup> CARE?

Skin Irritation

Post-Operative Incisions

First & Second-Degree Burns

Abrasions

**Specifically designed with high-quality Hyaluronic Acid (HA)**

### Pure & Hydrating

HA binds up to 1,000 times its weight in water, keeping the skin environment moist.

### Low Molecular weight - 200 kDa

Smaller molecules can penetrate deep into the skin to support the natural wound healing process.

Note: HYALO4 CARE HYDROGEL and HYALO4 CARE CLEAR HYDROGEL have the same composition as previously marketed products under the name Bionect.

**From Fidia Farmaceutici, a Global Leader in HA Research, Development, and Manufacturing**

### Backed by Science

More than 60 years of research into Hyaluronic Acid.

### Backed by Leadership

An acknowledged worldwide leader in development and commercialization of Hyaluronic Acid based products.

### Backed by Innovational Excellence

Continually striving to help to improve people's quality of life.

## What are HYALO4® CARE Hydrogel and HYALO4® CARE Clear Hydrogel?

These hydrogels are a white viscous hydrogel or clear colorless hydrogel intended to provide a soothing, moist environment.<sup>1,2</sup>

## What is HYALO4® CARE used for?

These topical products have been specifically designed with a high-quality Hyaluronic Acid (HA) to provide a safe and reliable choice which can help provide benefits in managing a wide range of conditions including irritations of skin, cuts, abrasions, post-operative incisions and first and second degree burns.<sup>1,2</sup>

## What is hyaluronic acid, and what does it do?

HA is found in many sites in the human body, including the skin and soft tissue. It has moisturizing properties and is excellent at retaining water. It helps to provide a soothing, moist environment that is supportive to your skin.

Ask your Fidia sales representative for information or call customer services at 1-844-307-7223.

## Available in two different presentations,

HYALO4® Care is available as a white or clear hydrogel.

Easy Application

Non-greasy

HYALO4® Care Hydrogel and HYALO4® Care Clear Hydrogel were cleared by 510(k)s

For topical use only. Rx Only.

Hyalo4® Care Hydrogel and Hyalo4® Care Clear Hydrogel are indicated for the dressing and management of partial to full thickness dermal ulcers (pressure sores, venous stasis ulcers, arterial ulcers, diabetic ulcers), wounds including cuts, abrasions, donor sites, and post-operative incisions, irritations of the skin, and first- and second-degree burns. The dressing is intended to cover a wound or burn on a patient's skin, and protect against abrasion, friction, and desiccation. The products are contraindicated for use on patients with known hypersensitivity to these products or to any of their ingredients. See the package inserts for full prescribing information including the warnings and precautions.
